Cleveland-Cliffs Announces Convertibility of Preferred Stock

CLEVELAND, OH -- January 3, 2005 -- Cleveland-Cliffs Inc (NYSE: CLF) today announced that, due to the satisfaction of a condition to the conversion right of the holders of its 3.25% redeemable cumulative convertible perpetual preferred stock, the preferred stock may be surrendered for conversion at any time during the fiscal quarter ending March 31, 2005. The condition was satisfied because the closing share price of Cleveland-Cliffs' common shares for at least 20 trading days of the last 30 trading days of the fiscal quarter ended December 31, 2004 exceeded 110% of the then applicable conversion price of the preferred stock. The satisfaction of this condition allows conversion of the preferred stock during the fiscal quarter ending March 31, 2005 only. Conversion may continue after such quarter if certain conditions set forth in Cleveland-Cliffs' amended articles of incorporation are satisfied.

As a result of the two-for-one stock split of Cleveland-Cliffs' common shares effective on December 31, 2004, and the payment of a cash dividend to holders of record of the common shares as of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment of the close of business on November 19, 2004, this payment is the close of business of the close of business on November 19, 2004, this payment is the close of business of the
