The half-year financial report has been prepared on the basis of historical cost. Cost is based on the fair values of the consideration given in exchange for assets.

**Significant accounting policies**

The Consolidated Entity has changed its accounting policies during the half-year ended 30 June 2006 as follows:

1. Exploration and evaluation expenditure

The previous accounting policy was as follows: “

The revised policy is to expense exploration costs as incurred. Evaluation costs are expensed as incurred up until all final regulatory approvals have been granted. Evaluation costs incurred subsequent to this date are capitalised and amortised over the life of the area of interest.

The Consolidated Entity changed its accounting policy to more appropriately reflect the nature of exploration and initial evaluation expenditure as the expenditure itself does not necessarily lead to an increase in resources nor necessarily extend the life of the respective projects.

The effect on the previously reported Income Statement and Balance Sheet had the revised accounting policies always been applied was as follows:

<b>Income Statement</b>	<u>30 Jun 05</u> \$ '000	<b>Balance Sheet</b>	<u>31 Dec 05</u> \$ '000
Cost of goods sold	612	<b>Non-current assets</b>	
Other expenses	(1,429)	Exploration and evaluation	(24,728)
Loss before income tax benefit	(817)	<b>Non-current liabilities</b>

Diluted (cents per share)	—	<b>Total equity</b>	<u>17,309</u>

**Note 1. Summary of Accounting Policies (continued)**

2. Deferred waste

The previous accounting policy was as follows: “

”.

The revised accounting policy is to expense deferred waste as incurred.

The Consolidated Entity changed its accounting policy to ensure that all waste costs will be accounted for consistently. This results in all waste costs being expensed as incurred in the Income Statement. In addition this policy change results in no management estimates being required as to what portion of waste should be capitalised verses expensed.

The effect on the previously reported Income Statement and Balance Sheet had the revised accounting policies always been applied was as follows:

<b>Income Statement</b>	<del>30 Jun 05</del> <u>30 Jun 05</u> \$'000	<b>Balance Sheet</b>	<u>31 Dec 05</u> \$ '000
