Item 8.01 Other Events.

On September 14, 2005, Cleveland-Cliffs Inc (the "Company"), through its wholly owned subsidiary, Cliffs Erie L.L.C., entered into a Letter of Intent with PolyMet Mining, Inc. ("PolyMet") with respect to the sale of certain owned or leased real property, various mining, railroad and service facilities formerly owned by the LTV Steel Mining Company and associated permits. The property includes, but is not limited to, a 120-car rail fleet, locomotive fueling and railway maintenance buildings, railway track and rights, an administration building, pumphouses, pipelines, power lines and support equipment.

According to the Letter of Intent, the Company will receive proceeds of:

- (i) US \$1 million in cash payable at closing;
- (ii) 2 million shares of the common stock of PolyMet Mining Corporation, PolyMet's Canadian parent company, payable at closing;
- (iii) US \$7 million in cash payable in quarterly installments commencing December 31, 2006 with the balance payable upon receipt of PolyMet's commercial finance by and according to the terms of a contract for deed to be executed by the parties; and
- (iv) US \$7 million in cash payable in quarterly installments commencing on December 31, 2009 by and according to the terms of a second contract for deed to be executed by the parties.

As the final component of the purchase price, PolyMet will assume from the Company, certain on-going site related environmental and reclamation obligations.

Closing is subject to agreement on a definitive purchase agreement and PolyMet board and regulatory approval. Upon completion of the transaction, PolyMet will have approximately 118.4 million shares in issue, of which the Company will own 9.2 million or 7.8 percent. The Company will have the right to participate in up to 7.8 percent of any future financing and PolyMet will have the first right to acquire or place the Company's shares should it choose to sell.
